

IMPORTANT UPDATE

Lower Your Payments & Qualify for Loan Forgiveness!

Are you enrolled in the right Income-Driven Repayment plan? The federal student loan system is changing fast. Thrive Student Loan Advisors guides you through every step — at no cost to you.

\$400/month

Average federal loan payment most borrowers can't afford to ignore

Heavy Financial Strain

Affecting how you spend, save, and plan your future.

Relief is within reach

Understanding your options can make a real difference. We're here to help.

WHAT WE DO FOR YOU

- **Free personalized loan review** — we analyze every federal loan you have
- **Income-Driven Repayment (IDR):** enroll in IBR or the new 2026 Repayment Assistance Plan (RAP) to lower your monthly payment
- **Public Service Loan Forgiveness (PSLF):** we handle employer certification, payment tracking & the full forgiveness filing
- **Defaulted loans & wage garnishment** — we stop garnishment and get you back in good standing
- **Parent PLUS loan strategies** including double consolidation to unlock forgiveness options
- **Teacher Loan Forgiveness** and other federal forgiveness programs
- **We handle all enrollment & paperwork** — start to finish, including annual recertification

WE'RE HERE TO HELP

Our Advisors answer your questions, review your full loan situation, and help you take advantage of new and existing federal programs. If you move forward, we guide you through the entire process so you stay focused on your life — not your loans.

ACTION REQUIRED NOW

Are you on the right repayment plan?

The SAVE plan is ending. Only IBR (for pre-July 2026 loans) and the new Repayment Assistance Plan will remain. Don't wait — get a free review now to protect your payments and forgiveness progress before the deadline.
