

45M+

Employees managing student debt—Thrive meets them where it matters most!

\$1.7T

In student loans debt today. We're making flexible, relevant benefits essential

\$0

Additional cost to employers – deliver high-impact support without increasing spend

91%

Employees stay if their employer offered financial benefits that meet their needs

WHAT WE DO

- **Free loan review:** every employee gets a personalized analysis of all their federal loans
- **Income-Driven Repayment (IDR):** enrollment into IBR and the new 2026 Repayment Assistance Plan (RAP)
- **Public Service Loan Forgiveness (PSLF):** employer certification, payment tracking, full forgiveness filing
- **Default rehabilitation:** and active wage garnishment relief
- **Parent PLUS loan strategies:** including double consolidation
- **Enrollment & Consolidation Services:** optional paid all-in-one consolidation with frictionless enrollment
- **Annual recertification:** optional paid service – we handle the paperwork every year
